

Demo 2

TIES4520 Semantic Technologies for Developers
Autumn 2024

by:
Dr. Oleksiy Khriyenko
IT Faculty
University of Jyväskylä

Form the groups of 3 persons...

- ❑ *Present the results of your Task-4-2 to the group members...*
- ❑ *Discuss the issues and share the experience...*
- ❑ *Select the most important issue/question...*

~ 30 min

- ❑ *Share the most important issue (if any) with other groups...*

~ 15 min

-
- ❑ *Present the results of your Task-5 to the group members...*
 - ❑ *Discuss the issues and share the experience...*
 - ❑ *Select the most important issue/question...*

~ 30 min

- ❑ *Share the most important issue (if any) with other groups...*

~ 15 min

Make cross- and self-evaluation of the tasks completion. Use [Demo-2_Evaluation-instructions.doc](#) (see the course webpage). Individually, send the document back by deadline (end of the day 17.10.2024)
