

# Demo 1

TIES4520 Semantic Technologies for Developers  
Autumn 2025

by:  
**Dr. Oleksiy Khriyenko**  
*IT Faculty*  
*University of Jyväskylä*

*Form the groups of 3 persons...*

- ❑ *Check some of the common mistakes that students make for the task.*  
([Task3-mistakes.pdf](#) file is available on the course web page).
- ❑ *Present the results of your Task-3 to the demo group members...*
- ❑ *Discuss the issues and share the experience...*
- ❑ *Select the most important issue/question...*

**~ 60 min**

- ❑ *Each group shares the most important issue (if any) with others...*

**~ 30 min**

*Make cross- and self-evaluation of the tasks completion. Use [Demo-1\\_Evaluation-instructions.doc](#) (see the course webpage). Individually, send the document back by deadline (end of the day 02.10.2025)*
